# SWENSON GRANITE WORKS

## 2011 PRODUCT PRICE LIST

[WWW.SWENSONGRANITE.COM](http://WWW.SWENSONGRANITE.COM)

Since 1883, The Swenson Granite Company has been quarrying, cutting and supplying quality granite and stone products for building, masonry and landscaping. Visit one of our Granite Works locations where our expert staff will be happy to assist you with all of your stone needs. We maintain an extensive display and stock of our products for your convenience. We appreciate and respect your business.

Swenson Granite Works offers the finest in New England granites, and our 125,000 square foot production facility combines the latest technology with the irreplaceable beauty of hand craftsmanship. Whether it's maintenance free granite steps, a detailed recreation of a historic piece, a bird bath carved from rough field or ledge stone, or any variety of cut granite in-between, we can deliver it to you at an affordable price and time frame that meets your expectations.

We invite you to visit one of our Granite Works locations, and see for yourself why we say "do it once, do it with stone."

- All pricing is F.O.B. our Granite Works locations, and are subject to change based on increasing transportation costs.
- Delivery is available on all products, and installation is available on certain items, all quoted separately.

## THIN VENEER STONE

Most of our standard thickness veneer can now be purchased in a thin variety, for installation in areas where a traditional thickness veneer can't be used. All material is 3/4" to 1.1/4" thickness on average, ideal for covering over brick, block, concrete, drywall and wood applications.

**FLATS**  
Use this material for the body of area you are covering.
